PROFILE

I am an experienced videographer and production specialist with 5+ years of experience working in church production. I am skilled in multiple areas within communication and production including video, audio, lighting, and graphic design.

EDUCATION

North Greenville University, Tigerville, SC. — Major, Broadcast Media, 2019-2023

EXPERIENCE

Production & Communication Director (Part-Time), South Main Baptist Church; Greenwood, SC — 2017 - Present

Overseeing all live production and broadcasts for various church ministries and events as well as all video, graphics, website, and social media needs. Work with heads of ministries to provide communication and production support for events. Train and equip production team volunteers to adequately operate equipment for events.

Media Team Work Study, North Greenville University; Tigerville, SC — 2020-2023

Provided production support specifically in the areas of directing, camera operating, lighting, and Pro-Presenter graphics for events on North Greenville University's campus.

Production Intern, Biltmore Church; Arden, NC — January 2023 - May 2023

Assisted Biltmore Church's central production team with maintaining and operating production equipment for Sunday services. Gained experience with multi-site churches, production equipment installs, operating broadcast standard cameras, and directing.

Owner, Nikolai Garrison Productions; Greenwood, SC — 2018 - Present

Provide skilled videography services for clients in a number of fields including weddings, events, commercials, and churches. Experienced in coordinating with clients and venues to provide adequate services.
